# Oh the Places You'll Go!

Congratulations!

Today is your day.

You're off to Great Places!

You're off and away!

You have brains in your head.

You have feet in your shoes.

You can steer yourself  
any direction you choose.

You're on your own. And you know what you know.

And YOU are the guy who'll decide where to go.

You'll look up and down streets. Look 'em over with  
care.

About some you will say, "I don't choose to go there."  
With your head full of brains and your shoes full of feet,  
you're too smart to go down any not-so-good street.

And you may not find any  
you'll want to go down.

In that case, of course,  
you'll head straight out of town.

-Oh, The Places You'll Go!

Dear Graduating Seniors:

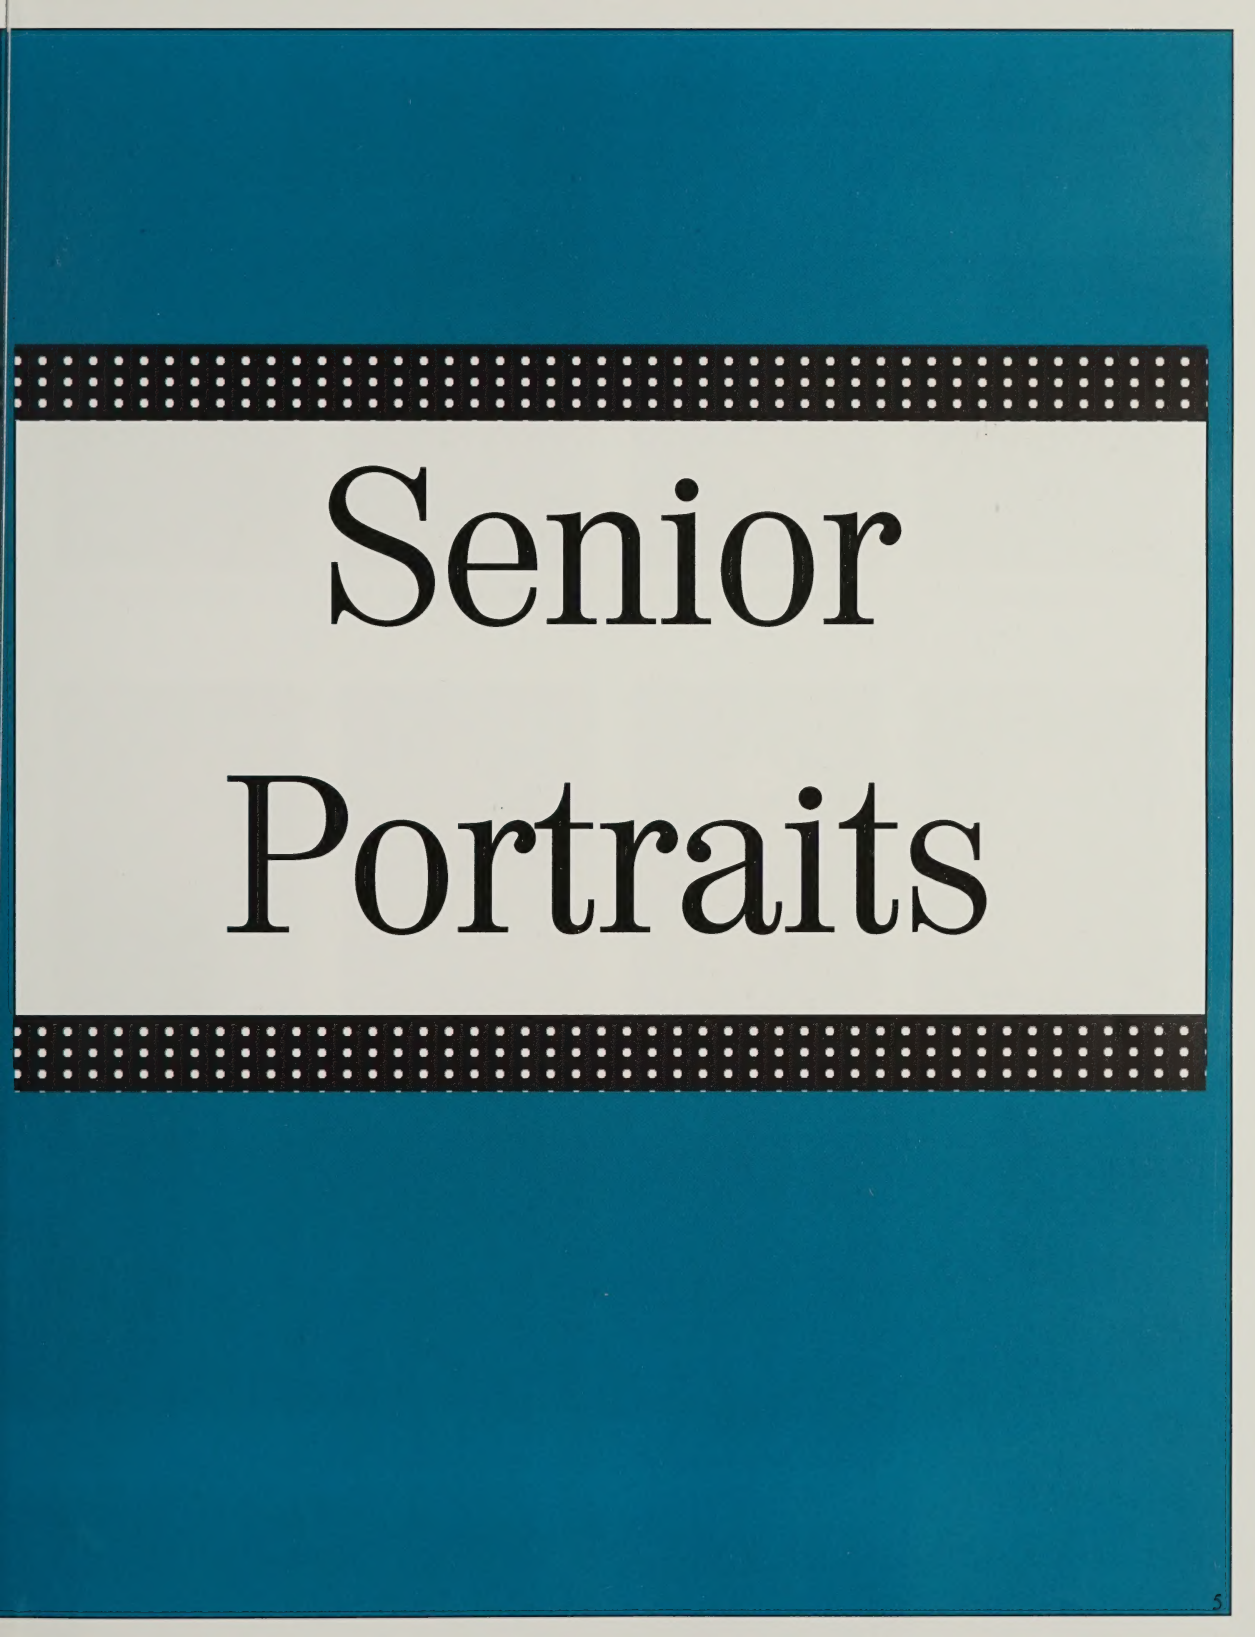

Life is a journey. By completing your degree, you have reached a significant milestone in your life. A milestone offers the opportunity to look back and see where you began and how far you've come. Your four years here at Elizabethtown College have transformed you. You have grown from ex-high school students into well-educated, capable college graduates, ready to take on new challenges and opportunities. Just four years ago, there was much about your chosen field you didn't know existed. Fast forward four years and you now have a solid foundation upon which to build the rest of your life. That foundation is especially strong because you are the first class in the College's history in which every one of you has completed at least two Signature Learning Experiences. As a result, you are active learners and ready for a life of learning.

Your time here at Elizabethtown has helped you chart your course with what you've learned in the classroom and just as important, what you've learned in the clubs, student organizations, teams, service projects, and friendships you've built. I hope your journey ahead follows a similar path: education for a life of service where you use your gifts and talents to build communities and continue to learn from your relationships with others.

You will never be alone on your journey ahead. You are now officially joining the Blue Jay Alumni family. Wherever you go, continue to be proud of the education, the community, and the dedication to service that exemplify Elizabethtown College.

Best wishes for the future, keep in touch, and remember, Blue Jays Always!

Carl J. Strikwerda  
President

Thank you to all of the staff, professors,  
and students who make Elizabethtown  
College a great place to live, learn, and  
serve.

# Campus Life

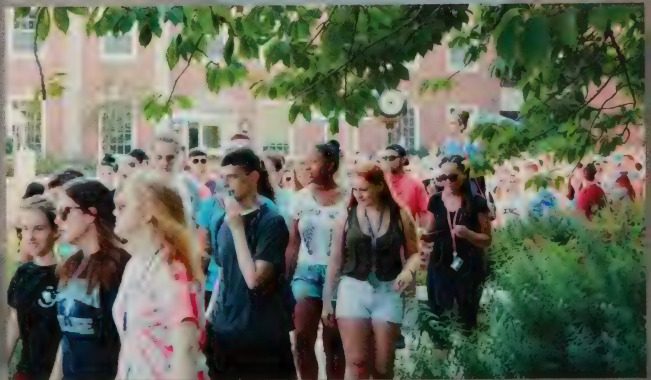

# Orientation

Orientation weekend at Elizabethtown College is filled with events that bring together returning students, new students, and the community as a whole. These events include the First-Year Walk, Induction, Convocation, and other fun activities organized by the college and the peer

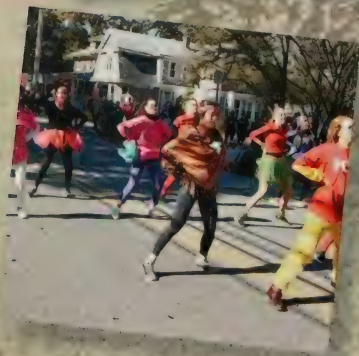

# Peer Mentors

The Peer Mentors will guide freshman through orientation. Elizabethtown College's peer mentor program is comprised of nearly 80 upperclassman students, extensively trained to help new students with the transition from high school to college. They provide information and support to our newest Blue Jays.

# Homecoming YAY!

For 22 years Elizabethtown student, teachers, and alumni have constructed floats for the annual homecoming parade to start of the weekend's festivities. The weekend was full of booths to support Etown programs, games to show off our Etown pride, and tons of phenomenal performances from students involved in Mad Cow, A Capella groups, and even chorus and jazz band.

# Mosaic House

The Mosaic House serves as a gathering place for students of diverse backgrounds and interests with spaces for events, club meetings, studying, and lounging. It also hosts educational programs for the campus community and provides a supporting and welcoming environment for all students.

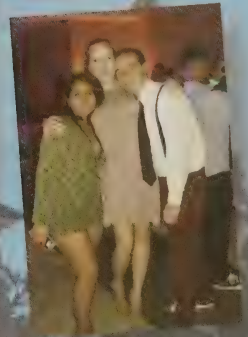

# Formal Jay

This year's Formal Jay took place in October. This is the fifth year that the Formal Jay was put on at Etown by the sophomore class. This year's theme was Outer Space.

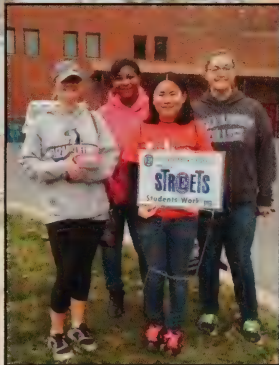

# Into The Streets

In keeping with the College's "Educate for Service" motto, students, faculty and staff go "Into the Streets" of the surrounding community to perform service-learning projects during one weekend every fall. Members of the campus community paint walls in public parks, rake leaves for senior citizens, clean up local creeks and teach children a variety of skills, such as surfing the Internet or speaking a foreign language.

# Thanksgiving Dinner

Prior to the Thanksgiving break, the College's Dining Services staff prepares a holiday feast for students, which is served by members of the faculty and staff and as well as College alumni. Following the dinner, the campus community joins together to celebrate the upcoming holiday season with the Tree Lighting ceremony sponsored by Student Senate. The event includes hot chocolate and cookies, a Christmas story read by President Strikwerda, and Christmas carols.

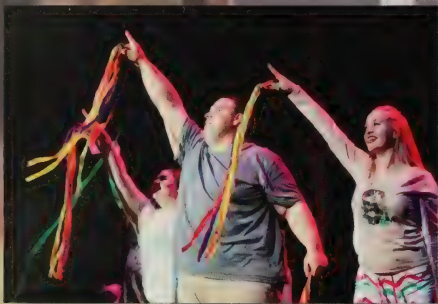

# and Tree Lighting Ceremony

# Mr. Etown

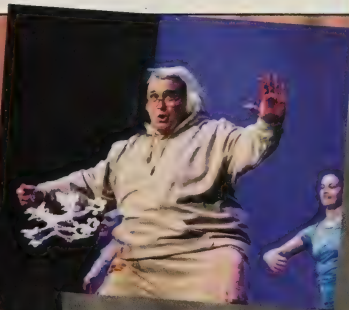

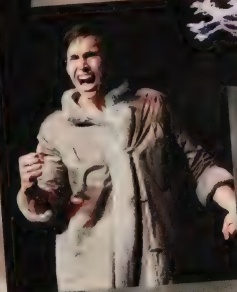

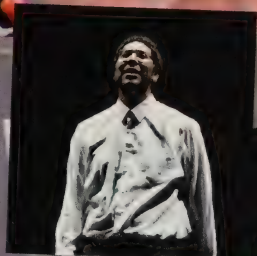

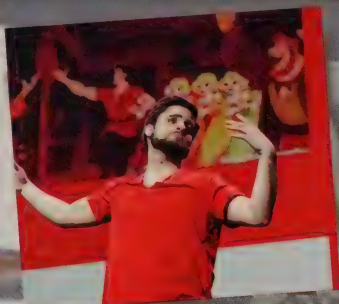

AND THE  
WINNER IS...

**GREAT  
JOB!**

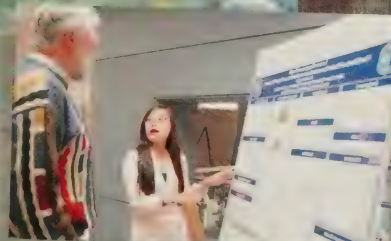

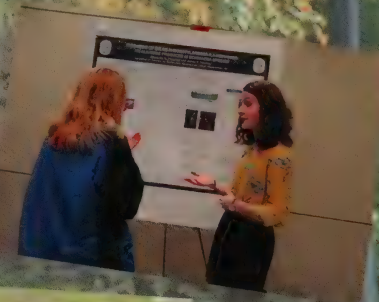

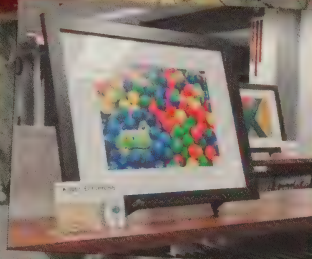

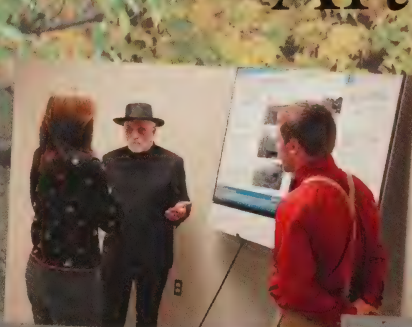

In March 2017, Elizabethtown College had its traditional Mr. Etown competition. Mr. Etown is a popular event on campus and many students attended. 8 males, representing different residence halls, competed tasks which included a dance/talent section and a thought-provoking question each contestant had to answer. This years winner was Kevin Tacchino, Mr. Apartments.

# Scholarship and Creative Arts Day

Scholarship and Creative Arts Day (or SCAD) provides students the opportunity to demonstrate what they have accomplished over the last year and to learn from other students' work. This year's keynote presentation was an alumni panel on the importance of undergraduate research.

# Relay for Life

The theme for this year's annual Relay for Life included all things Hawaiian and leis. Through the 2017 Relay for Life, Elizabethtown College raised almost \$37,000 for the American Cancer Society

# Into the Campus

In 2017, PRIDE Day was renamed to "Into the Campus." Students of the college have been involved in a campus clean-up day for many years. This event provides an opportunity for students and alumni to build friendships and to assist the facilities staff in preparing the campus for spring.

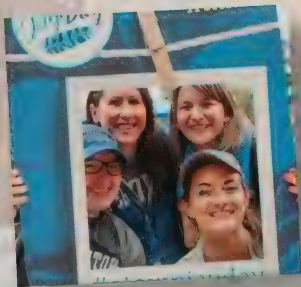

# Blue Jay Day

This spring, Elizabethtown College held its first Blue Jay Day. It was a day full of blue jay spirited fun. In between classes, students could enjoy an easter egg hunt, pop up Acapella, a flash mob, yoga, and even visits from Conrad, the blue jay.

# TGIS

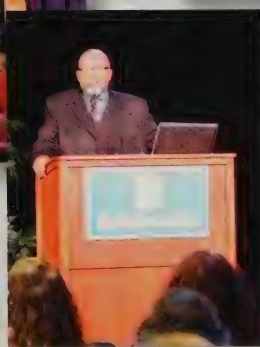

In April, "Thank Goodness It's Spring" Weekend celebrates the arrival of spring. Sponsored by the Office of Student Activities, the weekend includes outdoor games, activities, and musical performances. There is also a festival held on Brinser Field consisting of a wide assortment of food and dessert.

# Guest Speakers

Throughout the school year, Elizabethtown College invites many guest speakers to visit and to share their experiences with students. Often, smaller, round-table dialogues also take place to allow students to converse with these speakers.

Notable guests this year include Michelle Norris, Jonathan Haidt, and Lt. James Downing, a survivor of Pearl Harbor.

# OSA Events

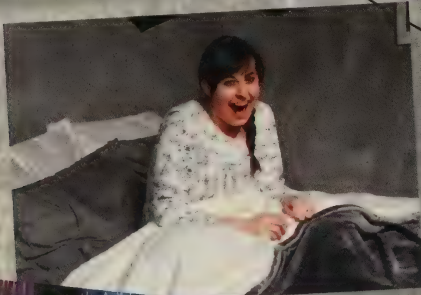

The Office of Student Activities sponsors many different events throughout the year. The events vary and include many opportunities both on and off campus. Additionally, E-fit fitness classes are offered multiple times throughout the week, allowing students to take a break from classes and work. This year, kick-boxing was added to the E-fit line-up.

# Tempest Theatre

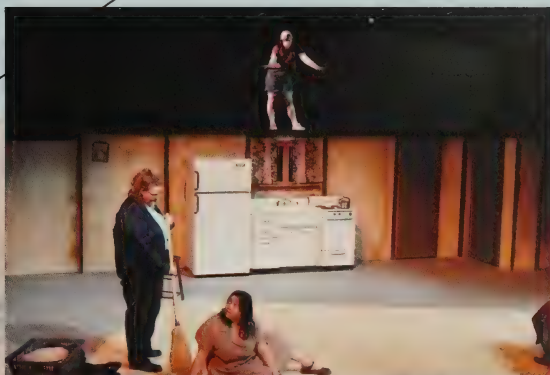

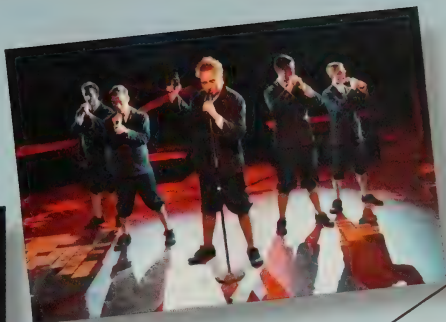

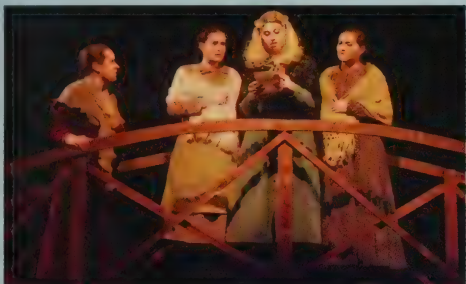

During the 2016-2017 season, the Tempest Theatre put on three productions- Spring Awakening, a musical, Fuddy Meers, a comedy, and Getting Out, a drama. Congratulations to all involved on a successful season.

# BAMO

It is our desire to create a community for all musicians, majors and non-majors, to come together and perform in new and creative ensembles. It is our passion to share our love of music with the Elizabethtown College community and surrounding communities by putting on public performances.

# Creative Writing Club

Creative Writing Club is a place for students interested in writing to come and meet other people who love to write. We meet every other week, and we write from prompts or have free-writing time. We also offer our members the opportunity to submit a piece for the club to edit and give constructive criticism during any given club meeting. We usually meet every week and weekend during the month of November for NaNoWriMo (National Novel Writing Month). We also occasionally host open readings in the Library! All majors and areas of interest are WELCOME to join!

# College Democrats

We, the students of the Elizabethtown College Democrats, College Republicans, and Young Americans for Liberty, are committed to creating a welcoming environment in which students are free to engage in civil discourse regardless of their political views. Elizabethtown College students hold diverse political perspectives. Each of our clubs embraces the free exchange and development of ideas. As college students, we expect to be in an environment that challenges our viewpoints in a constructive manner. We have worked together in the past despite our political differences, and will continue to do so in the future. Our community strives to set an example for respectful dialogue across the political spectrum.

# Colleges Against Cancer

Colleges Against Cancer works alongside the ACS and Relay For Life to fundraise and plan a Relay for Life event that is hosted on campus every spring. Relay for Life is a 12-hour event that brings together all registered teams and participants for a night of fun events and to honor those who have been affected by cancer.

NOiR's mission is to help make E-town a welcoming place for all students through programming, advocacy, and social support. This year, NOiR hosted several events including Black Out Days and a #SayTheirNames program. NOiR also advocated for several diversity initiatives to be implemented on campus such as the Mosaic House and hiring more diverse faculty and staff members.

# Social Enterprise

The Social Enterprise Club is a student-directed club that engages with student or faculty- initiated social enterprise ideas or organizations to complete projects. This year, the club has about 20 members and completed two projects with organizations and graduate students. The club also engaged with social enterprise project sponsors to complete an engagement letter that defines the scope of the club's work.

## **Social Enterprise Club Officers:**

President: Tyler Butkus

Vice President: Lia Kopar Vice President

Treasurer: Alyssa Blouse

Tri Beta is a national honor society for students in the biological sciences who have taken at least three biology courses while maintaining at least a "B" average. We work in close association with BIOME on academic and service events. Tri Beta encourages research and provides opportunities students to present their research findings and publish student papers.

# Young Americans for Liberty

We, the students of the Elizabethtown College Democrats, College Republicans, and Young Americans for Liberty, are committed to creating a welcoming environment in which students are free to engage in civil discourse regardless of their political views. Elizabethtown College students hold diverse political perspectives. Each of our clubs embraces the free exchange and development of ideas. As college students, we expect to be in an environment that challenges our viewpoints in a constructive manner. We have worked together in the past despite our political differences, and will continue to do so in the future. Our community strives to set an example for respectful dialogue across the political spectrum.
